

Need some peace in your life?

Sacred Heart Parish is pleased to offer a 7-week program called
Discovering CHRIST

Participants will:

- Gather one evening a week to share a meal
- View an informative teaching video and then
- Explore answers to some of the most important questions worth asking about God and finding purpose in life through small groups.

Over 140,000 people have attended Discovering CHRIST and have experienced a new or renewed relationship with Jesus and others.

We invite YOU to attend this life-changing encounter. It is an excellent way to revitalize your faith.

Come and discover something new about your personal relationship with Christ, and others, and how it is relevant to your everyday life.

“Discovering CHRIST has touched hundreds of lives at St. Martin de Porres since we began the series in 2010, and as a result it has impacted the life of our entire parish. It’s been a springboard for a renewed faith for people in the pews, as well as for many who have been away from the Catholic Church for years.” Msgr. James Sullivan.

“During Discovering CHRIST I found the answers to the deeper questions I had been asking. I didn’t just learn that Jesus loved me and died on the cross for me. I actually experienced that love!” - JJ Reed

This is an excellent experience to share with family, friends, co-workers and neighbors, and also those you know who have been away from the church. There is no cost to participate but seating is limited, therefore, pre-registration is recommended. Walk-ins are welcome.
