Hopefully we'll have some responses about our Flower Sale, trying to find a new place.
Hope you all had a great time at the St. Patrick's Dinner. It was a lot of fun.
See you at our next meeting, April 9th. Have a Blessed Easter.

To be a Member you must be a Qualified Member who supports the ideals of Columbianism; Charity, Unity, Fraternity, and Patriotism

Membership in the Knights of Columbus is open to practical Catholics with the Holy See. A practical Catholic is one who lives up to the Commandments of God and the precepts of Church. One of the precepts governing the administration of the Knights of Columbus is for ALL members to be qualified through the Virtus training program. Participants not adhering to this mandatory precept will be considered as marginal members of the Knights of Columbus. Rest assured that this mandate is not taken lightly. The Diocese of Rockville Centre led by Bishop John O. Barres has provided Virtus training to more the 15,700 church personnel and volunteers. If you are a practical Catholic who has expressed your desire to be a member of the Knights of Columbus, you fall into the category of church personnel and volunteer.

For a Council to develop its organizational capabilities and integration of objectives, there must be a "commitment to cause" on each Knights part. Understanding that each individual is challenged by everyday tasks, it is through your sincere efforts that success will continue here at Mother Cabrini Council. Rewards for outstanding service have been noted and the elected officials have decided to reward those who have excelled in their dedication to our principles of charity, unity, fraternity and patriotism. Those actively participating in the majority of events will be furnished with amenities in direct proportion to all that they do. Those underachieving in supporting by donating their time and effort to the Councils events such as Bingo, Irish/Italian Dinner, Spaghetti Dinner, visiting the Veterans at Stony Brook on the third week of the month, to name a few, will be considered minimal participants and will not be considered for the amenities afforded to the active participants.
