Mission Statement

St. Frances Cabrini Church is a Roman Catholic parish community with ethnic diversity. Our central focus is the Eucharist from which all aspects of parish life emanate. Being a Spirit filled, prayerful and proactive parish, we foster Christian family life, evangelization, and the spiritual nourishment of all parishioners, both young and old. We endeavor to follow the example of St. Frances Cabrini and attend to all God's children in their temporal and spiritual needs in order to alleviate their suffering. We do all in the name of Jesus who is Lord and Savior of us all.

Our parish enjoys a rainbow of activities for all ages in Liturgy and in Service. If you wish to join or volunteer, please contact the rectory.

Stewardship

It's who we are, it's how we live our faith

Bulletin Reflection

In today's Gospel reading, we are told the parable about the wheat and the weeds. This parable reminds us that the world is not perfect and that on Earth there will be good people and evil people. This parable should remind us to not get discouraged and lose faith when we hear of all the evil in the world.

Living Stewardship

Pillar of Hospitality

In today's Responsorial Psalm, we praise God for being good and forgiving. We are also called to practice a good and forgiven nature. This week, pray for those who have hurt you and begin on the path of forgiveness.

Sincere Thanks for All You Do for the Parish of St. Frances Cabrini Know that you are in our prayers as we together get through this difficult time.

Parish Survey Results

Thanks to our Liturgy Committee, the results of the parish survey have been documented. Thank you to all who took the time to respond to the survey. We received many comments which we will try to address.

Environment: We are aware of the issues with the sound system. Sometimes I think there are squirrels in the attic chewing on the wires – that is, sometimes the speakers seem to work fine and at other times, not at all. I would love to improve the sound system so Iwill at least look into that. If it is something we can afford, we will make improvements. As for everyone speaking as loudly as Deacon Sonny, God has given us all different gifts and not everyone can do so, clearly that is one of Deacon Sonny's gifts. As for walking around during the homilies, we would love to do that too but either the sound system would have to be changed or in my case, I would need a new set of lungs. Maybe in the future we will be able to make relative improvements (to the sound system, not my lungs).

Other Improvements: It would be nice to be able to change all the carpeting in the church, but without the monetary resources this is something to be looked into in the future. In January the boilers in the parish center needed to be replaced. Thankfully, mainly due to the overwhelming response to our increased offering campaign, we were able to do that. Then the virus took over. Thankfully due to many generous donations from our parishioners we have been keeping up with expenses, but the weekly collections are down by two to three thousand dollars. We also lost the weekly income from BINGO. Hopefully things will improve, but at this time improvements will be limited in order to have money for repairs and general maintenance.

Missals: As expected there were some issues with the new hard covered missals. You may recall that the previously purchased yearly missals quickly deteriorated even with covers and had to be thrown out each year. The new missals are permanent. But it also seems that some of the parishioners are not aware that each year we purchase 50 soft covered missals that may be obtained for use during the mass. All you have to do is ask one of the ushers when you come into church. I realize if you enter through the side ramp door, that may be an issue, however, I am sure you will be able to get the attention of an usher who would be more than happy to get one for you and retrieve it after mass. The one thing we ask is that you do not take it home when you leave so it can be available for other parishioners to use at other masses. Some asked about memorializing a missal. Missals have been and continue to be memorialized at an offering of $25. If interested please call the rectory during business hours. However, at this time no missals are allowed to be kept in the church due to the virus. As for having more missals in the pews, 200 were purchased and they were spread throughout the church. If you are in need of one for the mass you attend, feel free to take an used one from another pew. With regard to finding the readings, the page number of the readings is announced at the beginning of mass and posted on the board near the shrine of Mother Cabrini. If you still have difficulty finding the readings, let us know and we can help.

Reverence: Jesus in the tabernacle should always be reverenced. I am aware that during the entrance and recessional the clergy should genuflect and not bow. However, I am also aware that some clergy cannot genuflect. As for the parishioners, we can only encourage reverence, however total silence before mass is not necessary, Many parishioners have formed extended "families" at church. Church is also a place to gather, so it is understandable that parishioners talk to one another. During mass, discussions should not happen and from what I have observed, there is little if any happening. Cell phones are another story. We ask that they be silenced before we start. Going forward we will also ask everyone to quiet themselves and leave some time to prepare for mass before the entrance hymn begins.

Parish Survey Results

Restrooms: We did consider adding handicapped bars and if this was a private home we could easily do so. However, the government dictates such improvements in commercial buildings. One of the reasons we did not add a ramp to the front steps, is there was a chance we would have then had to make all bathrooms handicapped accessible, which is something we could not afford to do at the time. We will look into what, if anything, can be done within a reasonable cost.

Social Activities Committee: Last year we introduced a Parish Family Ministry, dedicated to coming up with activities for the parish. Since this committee began they had a scavenger hunt, brought back the Noel Boutique and Craft Fair, a family game day, as well as other events. Some were more successful than others, but if you are interested in being part of the committee call the rectory and let us know.

Outreach: Every week there is an article in the bulletin regarding Outreach. It lists the items that are in most need; offers inspirational quotes or messages; thanks groups for donations and keeps us up to date on how they are doing. Outreach always welcomes those who can help with food drives, clothing drives, etc. Due to the virus, at this time, only food can be donated. Hopefully that will ease up in time. Outreach has a limited number of volunteers as there is only so much work that can be done for the time it is open. Also, no one can simply volunteer without attending a VIRTUS training course and submitting paperwork which includes having a background check done. This is the case for anyone over the age of 18 who wants to volunteer in the church in any capacity.

Homilies: A homily is not a sermon. A homily uses the readings and tries to apply them to the real life situations of the day. While some may want to hear about a certain topic or even church teachings, in general that is not the time for such discussions. However, there are times when the readings lend themselves to a certain topic or teaching, but there are some topics that may not be suitable for all present at the Mass. In time we hope to be able to offer more opportunities for those who desire to learn more about our faith. Unfortunately the virus caused us not to be able to complete the Lenten series offered this year. As you know we have started to stream and post masses on Facebook and YouTube. We will look into employing the same technology to present topics of interest in the future. If anyone is interested in learning more about our faith we have a subscription to FORMED which we have mentioned in the past. It does require the use of the internet so I realize that may not be possible for all. If you are interested in FORMED our website sfccoram.org will guide you through the process. The subscription costs the parish $1800 per year, so all are encouraged to make use of it.

Music: Well, there seemed to be many differing opinions about the music. Too many to include, but the issues will be addressed collectively with the musicians.

Traffic Light: It would be nice to have one installed but after many attempts dealing with the State, their response was that if one was installed we would have to pay for it and pay to maintain it. Apparently, since we do not have a street on either side, one is not warranted. Maybe we could have the Town give us a street sign that says Cabrini Way. Although I don't think that would help.

Thanks again to all who responded to the survey and many thanks to all our wonderful volunteers who help to keep our parish welcoming to everyone who attends. Together, let us continue to build up the Kingdom of God.

This past weekend we saw a slight increase in our weekend mass attendance. It was nice to see some additional familiar faces. Overall attendance remains light, but this is to be expected as many parishioners are concerned for their safety. The diocese continues to encourage all those who are frail or have underlying health issues to remain at home. The dispensation from attending mass is still in effect.

For anyone attending mass, all restrictions are still in effect; everyone with the exception of the priest (while he celebrates the mass) must wear a mask; families may sit together but all others must adhere to social distancing; missals/hymnals will not be available for use; and we would not be able to distribute bulletins, but a limited amount are available to be taken when mass is over. Communion will be distributed at the end of mass with proper precautions being taken. We ask that everyone who comes to communion, comes from front to back on one side and then the other. This helps to keep the contact with others to a minimum. Thank you for your cooperation.

Stay safe, keep praying; and for those of you who are still not able to attend, we hope to see you soon.

God Bless You.

Monthly Intentions and Development for Spiritual Adoption

July

In the 5th month of spiritual adoption we pray that the child's father will encourage and facilitate the mother's life-affirming choice, and be willing to act as a responsible provider.

Our baby's brain has begun maturing - a process that will continue until she is about 14 years old. Her eyelids now are sealed shut and will reopen at seven months. Her taste buds are working. Nutrients consumed by her mother are passed on to her within an hour or two. Three hundred quarts of fluid a day are sent to our baby via the umbilical cord. Fine hair begins to grow on her head, eyebrows and eyelashes. Facial expressions similar to the baby's parents can be seen at this time. This month's rapid eye movements (REM) have been recorded - a sign of dreaming. I am about six inches tall and I weigh four ounces - a proper weight for a girl my age.

Most Merciful and Triune God, We come to You in our weakness.
We come to You in our fear.
We come to You with trust. For You alone are our hope. We place before You the disease present in our world. We turn to You in our time of need. Bring wisdom to doctors. Give understanding to scientists. Endow caregivers with compassion and generosity. Bring healing to those who are ill.

St. Frances Cabrini Religious Formation

Help Us - Opportunities

We are in need of volunteers. YOU are very important to our program! It has been a long tradition at St. Frances Cabrini that our parish family has offered their time and talents. It is through caring, sharing and praying that our community has grown in love and support of one another. The success of our religious formation program depends on the dedicated individuals in our parish willing to share their time, talents and faith with the future church, our parish children. We encourage all our parishioners, as well as parents of children in our program to help out in some way. We are always in need of catechists, assistant catechists, and safety monitors who oversee the arrival and dismissal of our students.

CATECHISTS & ASSISTANT CATECHISTS

"Go Make Disciples and teach them everything that I have commanded you."

Please consider volunteering as a catechist or assistant catechist for the primary levels 1 to 6 or junior high levels 7 and 8. The *Mission of a Catechist and Assistant Catechist* is such an important one. It is a mission that has been given to the whole Church: that every individual Christian shares in the work of Jesus Christ. The *Role of a Catechist and Assistant Catechist* is to bring our young people closer to Jesus and grow in their faith as Catholics. Through their service the catechist and assistant catechist nurtures and mentors the faith and spiritual growth of the children they teach so that they may form a firm commitment to follow Christ. Qualifications of a Catechist or Assistant Catechist: A catechist or assistant catechist must be at least 18 years old, a practicing catholic in good standing who attends weekly Mass regularly, has a love for children, the desire to grow in faith and share that journey with young people, the ability to relate well to others, a sense of humor and flexibility, and a willingness to be of service to the Church. Catechist and Assistant Catechist Formation: Training and support is available to all our catechists and assistant catechists.

Please consider, pray and call me. Deacon Sonny 631-698-3149

Over the past several months Outreach has been blessed with many monetary donations which will help us in assisting our clients with rent and utility payments since eviction and termination restrictions will soon be lifted. Most recently we received a very generous donation from "Straight from the Heart" an organization developed within a local housing community in our area. Members of the organization have even reached out to friends and family members to raise money and collect food for our pantry and have been doing this for many years. It seems nothing is too much to ask of these men and women as they always want to know what more they can give.

We are so grateful for their generosity and kind hearts. May God continue to bless them in their good works.

OUR GROCERY LIST IS AS FOLLOWS
