Mission Statement

St. Frances Cabrini Church is a Roman Catholic parish community with ethnic diversity. Our central focus is the Eucharist from which all aspects of parish life emanate. Being a Spirit filled, prayerful and proactive parish, we foster Christian family life, evangelization, and the spiritual nourishment of all parishioners, both young and old. We endeavor to follow the example of St. Frances Cabrini and attend to all God's children in their temporal and spiritual needs in order to alleviate their suffering. We do all in the name of Jesus who is Lord and Savior of us all.

Our parish enjoys a rainbow of activities for all ages in Liturgy and in Service. If you wish to join or volunteer, please contact the rectory.

You can make a difference in the lives of those around us by making a gift to this year's Catholic Ministries Appeal

Every Gift Counts!

A gift of $25 may help pay the gas for a Meals-On-Wheels van to deliver food for a day.

A gift of $50 from an emergency fund may help pay the electric bill in a cold winter month for a family in need.

A gift of $100may help care for a newborn infant in Catholic Charities Regina Residence.

A gift of $250may help subsidize a home for an adult who is developmentally disabled.

A gift of $1,000may help support a Seminarian's education.

Because of you, every year we serve more than 600,000 people in our Long Island Community. This support enables our children to continue to receive the gift of spiritual formation, sacramental preparation, and quality education. It allows seminarians and lay leaders to fulfill their calling to serve the community. With your support, Catholic Charities can maintain its services for the poor and disadvantaged, and we can continue to reach out to our young people and others to find the best ways to guide and pass on our faith from generation to generation.

Monthly Intentions and Development for Spiritual Adoption

September

In the 7th month of spiritual adoption we pray that the parents be guided by the Holy Spirit in considering legal adoption as an option for their child, and if they so choose, that the right family will be selected for this particular child.

"I rolled over today!" Baby is six months old. The baby now can roll over inside the womb. Her oil and sweat glands are functioning. A white film layer called veniz covers the baby and protects her delicate skin from surrounding amniotic fluid. The waxy substance will be quickly absorbed into her skin soon after she is born. She now can respond to sound. Her lungs are fairly well developed and she would stand a good chance of survival if born at this time.
